

4-4-2024 Convention Committee Meeting Agenda

Room block: We have pretty much reached the limit for our room block. We'll need to refer attendees to other options nearby. Skamania can't do that effectively (their registration operation is not local), so I'll have to send an email. Will want to do that anyway in a reminder email to register to attend.

[One registrant was able to reserve a room outside the block with Expedia...]

FYI I have 5 "open" registrations in my back pocket for the Monday and Tuesday nights.

Block expires 4-15-2024 – any remaining room nights will not result in a penalty – we have an "attrition" option that must be exercised then; we should be fine

I'll include options for rooms. There are two places within 5 minutes and another about 30 minutes away.
